## **MAN ON THE STREET**

## Why were you rescued and brought to Wildcare Eastern Sierra for help?

sharp beak. I wiggled

and it dropped me to

the ground. My tummy

was bleeding. A person

squirrel."

"A man rescued my nest when he saw mom had been killed. When he took us to Wildcare, it was time for me to break out of my egg. Most of my brothers and found me and took me sisters were hatching too. I'm learning how to find food."

By Wildcare Eastern Sierra

"I was hunting near some buildings, chasing a mouse, and I fell in a pan full of motor oil. A person found me and took me to Wildcare. A lot of Dawn baths will make sure my feathers are clean."

"I found an opening into a big building where someone kept leaving some yummy snacks. One night they set a trap and I was caught. Wildcare came and, since I wasn't hurt, they took me to a good - Western Screech Owl hunting place (no more Twinkies) and let me go."

- Ringtail

"I saw a dead rabbit on the side of the highway. I flew down to take it away, but as I lifted up, a truck ran into me. My wing was injured. I could run but I couldn't fly. A sheriff and a volunteer from Wildcare caught me and I was brought to Wildcare."

"A few friends and I were flying near Church and Fowler, looking for food. I got into some kind of opening and couldn't get out. A person saw me and went to the Police Department. They came and picked me up, put me in a box with a towel, and called - Golden Eagle Wildcare."
